

# The Huntington Beach

# HISTORICAL SOCIETY

Education, Preservation, & Service

We work to educate the public about our community history, preserve & protect our historic sites, and to serve our community as resource for local historical research and education. Since 1974, the HBHS has played an important role in working to preserve some of our most historic sites and in telling the wonderful and diverse stories of our past - join us in keeping history alive in this our Pacific city!
